Message from Arthur Brooke

This has been a very busy month with all of the tournaments, wedding, and receptions that took place.

The 2021 MGA Cup 1st place winner was Fred Nahlen. Congratulations to you!

The sprinkler systems have been restored with the exception of Hole #11 which is being repaired as soon as possible.

Mr Allen is preparing to implement the schedule to perform the program Mr. White recommended. A chemical company representative was on site in October and his recommendations followed that of Mr. White.

Some of our equipment is in very poor condition and most of the machines need to be serviced and repaired. Mr. Allen and his crew will be making necessary repairs during our slow season (fall and winter). Our date to fully implement the program is March 1, 2022. Chemicals, equipment, and personnel are a must. Chemicals will be ordered and on hand by that date.

General Information

Southern Oaks Dining Room still has openings for Christmas Gatherings. We offer excellent services furnished with Christmas decorations for a reasonable fee. If you or your friends are interested in hosting an event in the room, please contact the club at 501-982-7508 soon to get a date as we have a number of events scheduled..

The month of October was a busy month as we hosted one large wedding and two large wedding receptions plus meals

for several tournaments. We received many compliments for the services given by our staff. By the way, we have never received any complaints on the events we have hosted in the dining room.

I am looking at mowing equipment to maintain the proper cutting of the greens, tee boxes, fairways, and training our operators to use correctly.

MGA is considering replacement for the ball washer and purchasing more range balls. We greatly appreciate help.

Hopefully the removal of the trees has improved your game.

Come by the Pro Shop and see our new fall apparel. We encourage you to purchase some of our apparel and support the club.

I made an on site visit to the company we lease the golf carts from to see if we could get better service. Hopefully the service will improve.

Let me close by saying we have a GREAT LLL TEAM at Southern Oaks who are genuinely INTERESTED IN THE CLUB!

Please take note of our decorations in the clubhouse. We place seasonal decorations in the foyer and dining room to give a welcome appearance to guests.

We will spend the last week in

From the Desk of Jon Johnson

Thank you to all the members who played in the 11th Annual Oaks Cup. It was a great event and one of the most competitive in its history with Team Southern edging out Team Oaks 22 1/2 to 20 1/2. Congratulations to all of the members of Team Southern. A special thanks to Dustin Cole who helped organize the Oaks Cup as well as Greg and Leanne Hammonds who provided the apparel for the event. I would also like to thank Sharon Johnson, Martha Brooke, and Patty Olsen for helping out with the food for the event.

Although I believe the Oaks Cup was a great event I understand it can still be improved so any suggestions you have would be greatly appreciated.

Again, as always, I appreciate your continued support for Southern Oaks Country Club.

If you have suggestions for events to offer during the winter months please contact Sharon.

November decorating the club for Christmas. We invite all of the members to come by the club during the month of December and see our beautiful Christmas trees all through the clubhouse. It will definitely get you in the Christmas spirit.

We wish you a Happy
